ILBAGNOALESSI

ILBAGNOALESSI is a bathroom design that has cast its spell over the home design world for years: It is characterised by a timeless form, sparkling imagination and a hint of eccentricity. This design award-winning ensemble is the creation of Italian designer star, Stefano Giovannoni.

SENTEC

Sentec

Bathing in a bathtub made of solid surface material Sentec feels like being in a natural basin. Due to a high percentage of mineral particles, the surface feels smooth. The innovative material also allows an incredible freedom of design: almost every shape is feasible – from very organic to very straight and architectural. Furthermore the non-porous surface of the material is hygienic, durable, UV-resistant, highly resistant to scratches a and can be effortlessly cleaned.
