FORM

The washbasins of the FORM collection are an ode to the purity of design and the refinement of materials. In white, bicolor, matte black, or dark iron, they reveal their full beauty. Clear, flowing lines give them a subtle yet powerful presence, bringing a calm, timeless character to any space. Whether wall-mounted or freestanding, round, oval, or rectangular, FORM combines minimalist architecture with precise craftsmanship. Soft, organic contours create a harmonious balance between geometric clarity and natural grace. Each basin expresses a sense of poise, aesthetics, and an appreciation for what truly matters. Seamlessly integrating into any bathroom concept, it convinces through perfect proportions, meticulous detailing, and well-considered functionality. The result is wash areas that radiate clarity and elegance – a design that remains timeless while harmoniously connecting modern demands with a gentle formal language.
