CLASSICS

The washbasins of the CLASSICS series combine iconic design with an emotional depth that shapes the space—clear, authentic, unmistakable. Every detail reflects a clear design intention: restrained, yet full of character. Reduced depths, precisely defined geometries, and finely proportioned basins made of glazed steel create a sense of visual calm—even in compact spaces. These washbasins integrate seamlessly into smaller layouts, contributing to the order and clarity of the overall architectural concept. Designed for those who seek the extraordinary in everyday life—and who want their bathroom to make a personal statement.
