INEO

Flush Plate INEO SKYLINE, Dual Flush

COLOURS AND FINISHES

000 White

KEY FEATURES

- In premium bathrooms, where every detail matters, the flush plate contributes to the overall aesthetic and experience.
- Therefore, the LAUFEN flush plate portfolio offers a great variety of visual desgins.The portfolio offers many finishings and materials too, to find a matching model to every bathroom interior design imaginable.
- A well-crafted LAUFEN SKYLINE flush plate provides tactile feedback that enhances the user experience. The surface's touch, the button's gentle resistance to pressure, and the sound of actuation all reflect attention to detail
- Its intuitive design, utilizing quick fasteners and a mechanical push-cable activation system with bayonet coupling, allows for the attachment and removal without specialized equipment and and thus is faster and more efficient to set up than conventional plates.
- After installation, this also simplifies maintenance, as access to internal components of the cistern is convenient and hassle-free.
