000 - standard option

KEY FEATURES

- In premium bathrooms, where every detail matters, the flush plate contributes to the overall aesthetic and experience.
- Therefore, the LAUFEN Eclipse flush plate offers advanced aesthetics and smart funcitonality for the demanding user. It has lit buttons, touch free or automated activation, plus numerous settings and statistics, accessible through the LAUFEN Smart Control app.
- Its intuitive design, utilizing quick fasteners and a mechanical push-cable activation system with bayonet coupling, allows for the attachment and removal without specialized equipment and and thus is faster and more efficient to set up than conventional plates.
- After installation, this also simplifies maintenance, as access to internal components of the cistern is convenient and hassle-free.
